## Room Copenhagen & Crayola®

The Crayola® Collection by Room Copenhagen is an elegant and inventive fusion of vibrant colors and a Nordic approach to aesthetic and functionality. Crayola® is on a mission to make it easier for kids to express themselves and this powerful commitment is expressed very strongly in our unique products for storage and organizing.

If your childhood has been full of colors, it may also have been filled with Crayola®. More than 3 billion Crayola crayons are sold each year and with over 120 colors to choose from, you never run out of options. The goal of Room Copenhagen is to offer design products with the same experience of infinite freedom combined with a playful approach to the practical aspects of life.

For Crayola it is a core value to nurture and support development of creativity as an essential skill for children and young people. The Crayola® collection from Room Copenhagen includes interior and storage solutions that supports and inspires children of all ages to pursue their creative ideas and add color to their surroundings.

# Colors & Characters

## Inspired by an iconic, world-wide brand

The foundation of the collection is one of the world's best known and beloved products – the original Crayola® crayon. The colors of the products resembles actual Crayola colors and the shape of the crayon has been used as a key element in the product designs. The unique characters added on selected items add personality and warmth to the décor.

# Storage & Organizing

## Iconic design meets new functionality

The colorful, compatible world of Crayola® comes alive with our collection of iconic design products for storage and organizing. The range of stackable and stable products is wider than ever and ready to support the creative endeavors of children everywhere. Rediscover the magic of one of the world's best known brands.
